

Dizionario dei Segni (ASL)

PAROLA CHIAVE	DESCRIZIONE DEL SEGNO (IN INGLESE)
After	Non-dominant hand flat, palm facing body. Dominant hand flat, moves forward across the back of the non-dominant hand.
Airplane	Extend thumb, index, and pinky fingers (ILY handshape). Move hand forward and slightly upward.
All	hold both hands out in front of you, palms up, and move them up
Alligator	Extend both arms forward, palms facing each other. Clamp hands together repeatedly like an alligator's jaw.
Animal	Fingertips of both slightly bent hands rest on chest. Pivot hands inward toward each other twice.
Another	Closed fist with thumb extended upward ('A' or '10' handshape), flip the hand over in an arc to point to the side.
Any	Right 'A' handshape with thumb extended pointing up, move hand downward and sweep to the right.
Apple	Knuckle of the index finger of an 'X' handshape twists back and forth on the cheek.
Arm	Sweep the palm of the dominant hand down the opposite arm.
Aunt	An 'A' handshape with thumb extended is shaken in small circles near the lower cheek/jawline.
Awake	Place 'L' handshapes with index fingers and thumbs pinched closed near eyes. Pop fingers open quickly to indicate eyes opening.
Backyard	Sign 'BACK' (thumb points backward over shoulder) followed by 'YARD' (open flat hands sweep outward in a circle).
Bad	Fingertips of a flat hand touch the chin, then hand pulls away and turns downward, palm facing the floor.

PAROLA CHIAVE	DESCRIZIONE DEL SEGNO (IN INGLESE)
Balloon	Start with closed fists touching near the mouth, expand hands outward and inflate cheeks as if a balloon is expanding.
Bath	Both 'A' handshapes move up and down the chest in an alternating motion as if scrubbing oneself.
Because	Index finger touches forehead, then pulls away while curling into an 'A' handshape.
Bed	Place palms together and rest the side of the head on them, imitating sleeping on a pillow.
Bedroom	Sign 'BED' (palms together at side of head) followed by 'ROOM' (flat hands form a box shape).
Bee	Index finger and thumb pinch cheek (like a sting), then flat hand swats it away.
Before	Non-dominant hand flat, palm facing body. Dominant hand flat, moves backward toward the body away from the non-dominant hand.
Beside	Both flat hands pointing forward side-by-side, dominant hand moves further out to the side.
Better	Flat hand touches chin, then pulls away and up into an 'A' handshape.
Bird	Index finger and thumb pinch together repeatedly in front of the mouth, imitating a beak.
Black	Draw the side of the index finger straight across the forehead.
Blow	Hold a loose 'O' handshape near mouth and blow air out, moving hand forward.
Blue	Make a 'B' handshape and twist the wrist left and right.
Boat	the 3 handshape that represents a motorized land or water vehicle (car, bus, truck, van, or boat)
Book	flat 'O' handshape and fingers spread, palm facing down
Boy	Repeatedly pinch thumb and fingers together at the forehead, like grabbing the brim of a baseball cap.

PAROLA CHIAVE	DESCRIZIONE DEL SEGNO (IN INGLESE)
Brother	An 'L' handshape at forehead moves down to meet the non-dominant 'L' handshape pointing forward.
Brown	Slide the side of a 'B' handshape down the cheek.
Bug	Thumb rests on the nose while the index and middle fingers wiggle downward.
Bye	Open hand facing forward, fold fingers down and up repeatedly in a waving motion.
Callonphone	Make a 'Y' handshape (thumb and pinky extended), place thumb by the ear and pinky by the mouth.
Can	Both 'S' handshapes (fists) move straight downward simultaneously.
Car	make a flat 'C' shape with one hand, thumb on top of other fingers
Carrot	Make an 'S' handshape near the mouth and move it slightly down and forward as if snapping a bite off a carrot.
Cat	Pinch thumb and index fingers at the cheeks and pull outward, imitating whiskers.
Cereal	Right index finger acts like a caterpillar crawling across the chin from left to right.
Chair	Non-dominant 'U' handshape points horizontally. Dominant 'U' handshape taps downward on top of it twice.
Cheek	The index finger is extended towards the cheek to indicate the location of an action.
Child	Pat an imaginary child's head two or three times with a flat hand.
Chin	Point to or tap your own chin with your index finger.
Chocolate	Dominant 'C' handshape circles over the back of the flat non-dominant hand.
Clean	rub one hand over the other, palm to palm, in a smooth motion

PAROLA CHIAVE	DESCRIZIONE DEL SEGNO (IN INGLESE)
Close	Both 'B' handshapes face outward, then swing together so the sides of the index fingers touch.
Closet	Non-dominant index finger points up. Dominant hand mimics hanging clothes on it with an 'X' handshape.
Cloud	Both 'C' handshapes circle each other while moving across in front of the body.
Clown	Thumb and fingers form a claw shape and squeeze the nose twice.
Cow	Place the thumb of a 'Y' handshape against the temple and twist the wrist forward to imitate horns.
Cowboy	Mimic holding reins with both fists, moving them back and forth, or mimic drawing two pistols.
Cry	Place index fingers below the eyes and trace downward on the cheeks, mimicking tears.
Cut	Simulate cutting motion with dominant hand, e.g. slicing through air.
Cute	Index and middle fingers of a 'U' handshape brush downward against the chin and fold into the palm.
Dad	Tap the thumb of an open '5' handshape against the center of the forehead.
Dance	Dominant 'V' handshape points downward and swings side to side over the flat, upward-facing non-dominant palm.
Dirty	Place the back of the hand under the chin and wiggle the fingers.
Dog	Pat the leg twice, then snap the fingers (or just pat the leg or snap depending on regional variation).
Doll	Stroke an 'X' handshape downward on the nose twice.
Donkey	Place open flat hands at the sides of the head with thumbs touching temples, bend all fingers forward twice.
Down	Point the index finger downward.

PAROLA CHIAVE	DESCRIZIONE DEL SEGNO (IN INGLESE)
Drawer	Both hands in 'S' handshapes (fists) mimic grabbing handles and pulling a drawer open.
Drink	Hold a 'C' handshape near the mouth and tilt it upward as if drinking from a cup.
Drop	Hold both hands in 'S' handshapes, move them downward while opening them quickly into '5' handshapes.
Dry	Pull the index finger of an 'X' handshape horizontally across the chin from left to right.
Dryer	Sign 'DRY' (pulling 'X' across chin) followed by 'MACHINE' (fingers interlocked and moving up and down).
Duck	Open and close the index/middle fingers against the thumb in front of the mouth, like a duck's bill.
Ear	Point to or pull gently on your own earlobe.
Elephant	Hold flat hand in front of the nose and outline the shape of an elephant's trunk curving downward and up.
Empty	Hold open palm of one hand and then close it.
Every	Rub the knuckles of the dominant 'A' handshape down the knuckles of the non-dominant 'A' handshape twice.
Eye	Point to your own eye with your index finger.
Face	Trace a circle around your own face with your index finger.
Fall	Dominant 'V' handshape stands on flat non-dominant palm, then flips over to land on its back.
Farm	Sweep the thumb of an open '5' handshape across the chin from one side to the other.
Fast	the dominant hand moves quickly forward and backward in front of the body
Feet	Point downwards toward your feet with both index fingers.

PAROLA CHIAVE	DESCRIZIONE DEL SEGNO (IN INGLESE)
Find	Start with an open '5' handshape, pick up an imaginary object by bringing the thumb and index finger together while pulling the hand upward.
Fine	Smile and nod head, then hold hands together in a fist (representing being fine or okay)
Finger	Hold up one hand and point to its fingers with the index finger of the other hand.
Finish	Move dominant hand downwards, palm facing forward, as if finishing something.
Fireman	Place the back of a flat 'B' handshape horizontally against the forehead, representing a helmet badge.
First	extend your index finger on one hand and move it forward, keeping other fingers closed
Fish	Hold dominant flat hand pointing forward, wave it back and forth as it moves forward to mimic a swimming fish.
Flag	Non-dominant hand acts as a base; dominant elbow rests on it while the flat dominant hand waves back and forth like a flag.
Flower	Touch the fingertips of a squished 'O' handshape to one side of the nose, then the other.
Food	Tap the fingertips of a squished 'O' handshape against the lips twice.
For	Touch index finger to the forehead, then swing it outward and forward.
Frenchfries	Bounce an 'F' handshape twice while moving it slightly to the side.
Frog	Flick the index and middle fingers out from beneath the chin twice.
Garbage	Tap the wrist of a dominant 'D' or pointing hand against the forehead, then flick it toward the floor (regional variations exist, commonly pointing to elbow).
Gift	Both hands in 'X' handshapes move outward from the body as if handing something to someone.

PAROLA CHIAVE	DESCRIZIONE DEL SEGNO (IN INGLESE)
Giraffe	Make a 'C' handshape with the dominant hand and move it up the neck to above the head, showing a long neck.
Girl	Stroke the thumb of an 'A' handshape down the jawline from the ear to the chin.
Give	Mimic giving something to someone else, often done with an open palm and arm extended
Glasswindow	Both hands open, palms facing body; dominant hand rests above non-dominant hand. Dominant hand moves up, then back down to touch the non-dominant hand.
Go	Point both index fingers outward and move them forward.
Goose	Make a larger beak shape with the whole hand (fingers to thumb) opening and closing in front of the mouth.
Grandma	Thumb of an open '5' handshape touches the chin, then the hand bounces forward in two small arcs.
Grandpa	Thumb of an open '5' handshape touches the forehead, then the hand bounces forward in two small arcs.
Grass	Push the heel of an open, upward-facing hand gently upward against the chin.
Green	Make a 'G' handshape and twist the wrist back and forth.
Gum	Bend the index and middle fingers and twist them against the cheek.
Hair	Pinch a lock of your own hair with your thumb and index finger.
Happy	Brush flat hands upward on the chest in small circular motions.
Hat	Pat the top of the head twice with a flat hand.
Hate	Flick the middle fingers of both hands outward from the thumbs, pushing hands away from the body.
Have	make a grasping motion with your hand as if holding something
Haveto	An 'X' handshape moves sharply downward once.

PAROLA CHIAVE	DESCRIZIONE DEL SEGNO (IN INGLESE)
Head	Tap a bent flat hand on the side of the head, then lower it and tap the jaw/cheek.
Hear	Point to or tap the ear with the index finger.
Helicopter	Dominant open '5' handshape facing down flutters on top of the upright thumb of the non-dominant '3' handshape.
Hello	Wave your hand towards the person you are greeting
Hen	Sign 'BIRD' (thumb and index finger pinch at mouth) then tap the flat hand downwards into the non-dominant palm.
Hesheit	Point the index finger out to the side or forward at the person or object being referred to.
Hide	Bring an 'A' handshape (thumb tucked) down to the lips, then move it under the curved non-dominant hand.
High	Move a flat hand, palm facing downward, up to a high level.
Home	Bring a squished 'O' handshape to the mouth/chin area, then touch it to the upper cheek/ear area.
Horse	Thumb of 'H' handshape touches the temple, while the index and middle fingers bend forward twice.
Hot	Form a claw handshape over the mouth, then turn it outward and throw it down quickly.
Hungry	A sign made by holding the stomach area with both hands, indicating hunger
Icecream	Hold an 'S' handshape near the mouth and make a licking motion downwards.
If	Tap the pinky finger of an 'I' handshape against the upper cheek/corner of the eye twice.
Into	Slide the fingertips of the dominant flat hand inside the semi-closed non-dominant 'C' handshape.

PAROLA CHIAVE	DESCRIZIONE DEL SEGNO (IN INGLESE)
Jacket	Both 'A' handshapes trace down the chest from the shoulders, as if putting on a coat.
Jeans	Both hands form 'A' handshapes and rub up and down the sides of the upper thighs/hips.
Jump	Dominant 'V' handshape stands on flat non-dominant palm, then bends its 'legs' and springs upward.
Kiss	Gently touch tips of index fingers and thumbs of both hands together in a light pressing motion.
Kitty	Pinch thumb and index fingers at the cheeks and pull outward (same as 'CAT').
Lamp	Dominant open '5' handshape facing down opens and closes (flashes) above the non-dominant hand or head.
Later	Hold non-dominant hand flat; dominant 'L' handshape rests thumb on it, then index finger pivots down to point forward.
Like	Extend dominant index finger upwards, then bend it down slightly while keeping it extended. Hold this position for a brief moment before returning to the starting position.
Lion	A curved open handshape moves backward over the top of the head, imitating a mane.
Lips	Trace the outline of your lips with your index finger.
Listen	Cup a hand behind your ear.
Look	Extend dominant index finger, then point it in the direction of something you want to draw attention to. Keep your gaze directed at that thing.
Loud	Hold one hand out in front of you, palm facing downwards. Move your other hand in a sharp, zigzag motion above the first hand, as if conducting sound waves.
Mad	Rake fingers through hair with both hands, then throw your head back and make a loud noise.
Make	Stack both fists (S handshapes) on top of each other and twist them.

PAROLA CHIAVE	DESCRIZIONE DEL SEGNO (IN INGLESE)
Man	made by the forehead
Many	Hold fists facing upward, then flick all fingers open quickly multiple times.
Milk	Open and close the dominant fist rhythmically, as if milking a cow.
Minemy	Place a flat hand firmly against the center of your chest.
Mitten	Slide one flat hand over the other flat hand, keeping fingers together, as if pulling on a mitten.
Mom	Tap the thumb of an open '5' handshape against the chin.
Moon	Hold a 'C' handshape near the eye/forehead and move it upward and outward.
Morning	Non-dominant arm lies horizontally; dominant flat hand moves upward from underneath it, like a sunrise.
Mouse	Brush the tip of the index finger back and forth across the tip of the nose.
Mouth	Draw a circle around your mouth with your index finger.
Nap	Sign 'SLEEP' (open hand draws down over face into pinched fingers) followed by a short duration marker.
Napkin	Wipe a flat hand across the mouth from side to side.
Night	Make a circular motion above head with dominant hand.
No	move hands apart and up slightly to indicate 'no'
Noisy	the dominant hand makes a loud motion, as if speaking loudly
Nose	Point to your nose with your index finger.
Not	Thumb of an 'A' handshape starts under the chin and pulls straight forward.
Now	Bring both 'Y' handshapes down slightly in front of the body.

PAROLA CHIAVE	DESCRIZIONE DEL SEGNO (IN INGLESE)
Nuts	Flick the thumb of an 'A' handshape outward from behind the upper front teeth.
Old	the dominant hand touches the chin, then moves downward to indicate age
On	Place the dominant flat hand down onto the back of the non-dominant flat hand.
Open	Both flat hands start side-by-side facing forward, then swing apart to face outwards like opening double doors.
Orange	Squeeze the hand into a fist (like squeezing an orange) in front of the chin repeatedly.
Outside	Open hand near the face moves outward and pinches closed into an 'O' handshape.
Owie	Both index fingers point at each other and twist in opposite directions near the site of the pain.
Owl	Both hands form 'O' handshapes over the eyes, then twist inward and outward.
Pajamas	Sign 'SLEEP' (hand draws down over face) followed by 'CLOTHES' (thumbs brush down chest).
Pen	Mimic holding a pen with thumb and index finger and make a scribbling motion on the flat non-dominant palm.
Pencil	Touch index finger to mouth (licking lead), then make a scribbling motion on the flat non-dominant palm.
Penny	Index finger touches the forehead and pulls away slightly.
Person	Both flat hands face each other and move straight down, tracing the sides of a body.
Pig	Place the back of a flat hand under the chin and bend the fingers down and up repeatedly.
Pizza	Dominant hand uses a bent 'V' handshape to trace a 'Z' shape in the air (or mimic holding a slice to the mouth).

PAROLA CHIAVE	DESCRIZIONE DEL SEGNO (IN INGLESE)
Please	move hands apart and up slightly
Police	Tap a 'C' handshape over the heart, representing a police badge.
Pool	Sign 'WATER' (W handshape to chin) then trace a large rectangle in the air with index fingers.
Potty	Make a 'T' handshape (thumb between index and middle finger) and shake it back and forth.
Pretend	Use your index finger and thumb of your dominant hand to mimic picking up an object, while moving it back and forth
Pretty	Open hand circles the face and closes into an 'And' handshape at the chin.
Puppy	Sign 'DOG' (pat leg/snap) but with smaller, gentler movements, often adding 'BABY'.
Puzzle	Both hands interlock fingers and move around, mimicking fitting puzzle pieces together.
Quiet	Place index finger to lips ('shh'), then move both flat hands outward and downwards facing the floor.
Radio	Hold an 'A' handshape or a 'C' handshape up to the ear, as if holding an old transistor radio, and turn a dial.
Rain	Both hands with fingers pointing down move downward in a jerky motion, imitating falling rain.
Read	Dominant 'V' handshape (eyes) scans up and down the flat non-dominant hand (the page).
Red	Draw a vertical line with one hand, palm down, and make an arrow shape pointing downward
Refrigerator	Sign 'COLD' (shiver with fists) followed by 'DOOR' (swinging flat hands open).
Ride	Dominant 'U' handshape hooks over the thumb of the non-dominant 'C' handshape, moving forward together.

PAROLA CHIAVE	DESCRIZIONE DEL SEGNO (IN INGLESE)
Room	Both flat hands face each other, then form the parallel sides of a box, representing walls.
Sad	Hold both hands with open fingers in front of the face, then slowly pull them downward, adopting a sad facial expression.
Same	Extend thumb and pinky ('Y' handshape) and slide the hand horizontally back and forth between two objects/people.
Say	Tap the index finger repeatedly against the chin, pointing horizontally towards the mouth.
Scissors	Make a 'V' handshape and open/close the index and middle fingers like cutting with scissors.
See	Make a 'window' shape with your dominant hand by separating your thumb and index finger, and then move it as if looking through a window.
Shhh	Place the index finger vertically against the center of the lips.
Shirt	Pinch the fabric of your shirt at the upper chest with your thumb and index finger and pull it outward slightly.
Shoe	Both 'S' handshapes (fists) tap together at the thumbs twice.
Shower	Hold an 'O' handshape above the head and open the fingers out while moving hand down, imitating water spraying.
Sick	Make a circular motion above head with dominant hand.
Sleep	Start with an open hand over the face, draw it down to the chin while pulling fingers together into an 'O', closing eyes.
Sleepy	Rub your eyes with the dominant hand while making a sleepy face.
Smile	Use index fingers to trace the upward curve of a smile at the corners of the mouth.
Snack	Tap the fingers of a pinched 'O' handshape lightly against the mouth/chin area multiple times.
Snow	Move both hands up and down, as if throwing snowballs.

PAROLA CHIAVE	DESCRIZIONE DEL SEGNO (IN INGLESE)
Stairs	Index and middle fingers of dominant hand 'walk' up the air like climbing steps.
Stay	Hold both hands in 'Y' handshapes (or flat hands) pointing forward, and push them down slightly.
Sticky	Touch thumbs and middle fingers together, pull them apart and together again, showing stickiness.
Store	Hold both pinched 'O' handshapes pointing down in front of the body, swing them forward and back a few times.
Story	Mimic telling a story by moving both hands in a circular motion, as if holding a pen or pencil.
Stuck	Place a 'V' handshape firmly into the neck/throat area.
Sun	Mimic holding an invisible sun with your dominant hand while smiling.
Table	Rest the dominant flat forearm horizontally across the non-dominant flat forearm.
Talk	Place the side of a '4' handshape near the mouth and move it backward and forward.
Taste	Tap the middle finger of an open hand lightly on the tongue or lower lip.
Thankyou	Touch the fingertips of a flat hand to the chin, then move the hand forward and down toward the person.
That	Place a 'Y' handshape firmly down onto the flat non-dominant palm.
There	Point to an imaginary location with the dominant hand while making a 'there' expression.
Think	Rub your chin or forehead with the dominant hand while making a thinking expression.
Thirsty	Trace the index finger down the throat from the chin to the chest.
Tiger	Both clawed hands start at the center of the face and pull outwards, representing stripes.

PAROLA CHIAVE	DESCRIZIONE DEL SEGNO (IN INGLESE)
Time	Mimic looking at an imaginary clock or watch on your wrist and moving it forward.
Tomorrow	Hold up one hand and mimic looking at an imaginary clock or watch on your wrist, pointing to the future.
Tongue	Point to your tongue with your index finger.
Tooth	Mimic brushing your teeth with an imaginary toothbrush while making a healthy expression.
Toothbrush	Move an index finger horizontally back and forth in front of the teeth.
Touch	Mimic touching something or someone with an imaginary finger.
Toy	Hold both hands in 'T' handshapes and twist the wrists inward and outward repeatedly.
Tree	Non-dominant arm lies horizontally; dominant elbow rests on it with a '5' handshape waving, representing branches.
Tv	Fingerspell 'T' and 'V' quickly.
Uncle	Tap the side of the non-dominant fist with the tip of the index finger
Underwear	Index fingers and thumbs trace the elastic line of underwear near the hips/groin area.
Up	Point the index finger straight upward.
Vacuum	Dominant fist moves back and forth over the flat non-dominant palm, as if vacuuming a floor.
Wait	Hold up a flat palm facing outwards.
Wake	Sign 'AWAKE' (pinched 'L' handshapes pop open near the eyes).
Water	Tap the index finger of a 'W' handshape against the chin a few times.
Wet	Sign 'WATER' (W to chin) then pull both hands downwards, closing fingers to thumbs as if wringing out water.

PAROLA CHIAVE	DESCRIZIONE DEL SEGNO (IN INGLESE)
Weus	Index finger touches the dominant shoulder, then arcs across the chest to touch the non-dominant shoulder.
Where	Hold up both hands, palms facing each other, and move them apart as if opening doors.
White	Place an open hand on the chest and pull it away while pinching all fingers together.
Who	Place thumb on the chin, index finger bends and unbends repeatedly.
Why	Shake head from side to side
Will	Place flat hand with palm facing side against the cheek/ear, then move it straight forward.
Wolf	Open hand starts at the face and pulls out to form a snout, closing into pinched fingers.
Yellow	Make a 'Y' handshape and twist the wrist back and forth.
Yes	Nod your head.
Yesterday	Thumb of an 'A' handshape touches the chin, then arcs back to touch the cheek near the ear.
Yourself	Push an 'A' handshape with thumb pointing up forward toward the person you are addressing.
Yucky	Open '5' handshape moves away from the chin while the face shows a disgusted expression.
Zebra	Sign 'HORSE', then use both hands to trace horizontal stripes across the chest.
Zipper	Mimic holding a zipper pull with thumb and index finger and move it up the center of the chest.
